

**Demo recording with producer**

1 x 2-hour session = 200,000

Demos are for promotion and development purposes only, and will not be mixed or mastered.

**Full production for broadcast (“the Hit Package”)**

Up to 16 hours over 4 sessions with singer(s) and producer = 1,000,000

The package includes: writing and demo recording; vocal and back-up tracking; full instrumental production; mixing and mastering.

Additional session time charged at 50,000 / hour.

Session musicians and songwriters can be provided by EAR for additional costs.

**Mixing & mastering**

200,000 / song

Discount: 150,000 / song for EPs/albums of four songs or more.

Please note that any additional recording or instrumental tracks will incur extra costs.

**Studio rental with EAR studio engineer**

50,000 / hour

Discount: 4 hours for 150,000

Please note that this is for recording services only. EAR will not provide instrumentals.

Drum tracking is an additional 50,000 / hour.

**Live Rehearsal with EAR studio engineer**

50,000 / hour

Discount: 4 hours for 150,000

Our Muyenga studio has a large live room equipped with mics, cables, percussion and a full drum kit. We can comfortably accommodate up to 8 musicians. Except for percussion and drum kit, musicians should provide their own instruments. EAR can source instruments for hire with 24 hours' notice.
